1. What is this System?

Misbah ul Hoda — Arbaeen 2026 is a complete digital management platform for pilgrims traveling to Karbala for Arbaeen. Everything that was previously done on paper, WhatsApp groups, or phone calls is now managed in one place:

- Pilgrim registration and application status
 - Hotel and room allocation
 - Airport pickup and drop-off coordination
 - Majalis schedule with full program (Hadith, Marsiya, Salam, Noha)
 - Namaz timings and food schedule
 - Live Karwan GPS tracking
 - Tour management with day-by-day schedule
 - Volunteer coordination
 - Notifications and announcements
 - Finance and budget tracking
-

2. Who Uses It?

Role	What They Do
Pilgrim	Registers, submits travel details, tracks status, views hotel/room, sees Majalis & schedule
Volunteer	Views assigned tasks, checks in/out, coordinates pilgrim support
Admin	Manages everything — approvals, rooms, buses, Majalis, itinerary, announcements
Super Admin	Full system access including user creation and finance

3. Pilgrim Guide

3.1 How to Register

1. Go to the website and click "**Pilgrim Portal**"
2. Click "**Register**" — enter your full name, email, and password
3. Log in with your new account

3.2 Complete Your Profile

After logging in, fill in your profile:

Field	What to Enter
Full Name	Your complete name
Phone Number	With country code (e.g. +923001234567)
WhatsApp Number	If different from phone
Country	Your country
Passport Number	As shown on your passport
Visa Number	Your Iraq visa number
Family Members	Number of people traveling with you

Click "**Save Profile**" — your application is now **Pending** review.

3.3 Set Your Travel Dates

Under "**Travel Details**", enter:

- **Arrival date & time** — when you land in Iraq
- **Arrival flight number** — e.g. PK-745
- **Arrival airport** — e.g. Baghdad International
- **Departure date & time** — when you fly back
- **Departure flight number**

 **Important:** Enter accurate travel dates. The admin team uses this to arrange your airport pickup and prepare the reception team.

3.4 Add Family Members

If family members are traveling with you:

1. Go to the "**Family**" section in your portal
2. Click "**Add Family Member**"
3. Enter their name, relationship, and passport number
