How to use this manual: This document is organized by user role — Pilgrim, Volunteer, and Admin. Find your role section and follow the steps in order. Each section includes step-by-step instructions, tables, and important tips highlighted in colored boxes.

What is Misbah ul Hoda?

Misbah ul Hoda — Arbaeen 2026 is a complete digital management platform for pilgrims traveling to Karbala. Everything previously done on paper, WhatsApp groups, or phone calls is now managed in one professional system — accessible from any device, anywhere in the world.

Pilgrim Registration

Online application, document upload, status tracking

Hotel & Room Allocation

Room assignment with GPS navigation to hotel

Airport Pickup

Driver assignment with automatic notifications

Majalis Schedule

Full program with scholar photos and timings

Live Karwan Tracking

Real-time GPS map of your Karwan bus

Auto Notifications

Email + app alerts for every key event

Ziyarat Tours

Day-by-day tour schedule and applications

Volunteer System

Task management, attendance, zone coordination

Finance Tracking

Budget, expenses, international payments

User Roles

ROLE	WHO	WHAT THEY CAN DO
Pilgrim	Registered pilgrims	Apply for Arbaeen, submit travel details, track status, view hotel/room, see Majalis schedule, track Karwan live on map
Volunteer	Ground support staff	View assigned tasks, check in/out for attendance, coordinate pilgrim support, receive emergency alerts
Admin	Office managers	Approve/reject pilgrims, allocate rooms and buses, manage Majalis, coordinate airport transfers, send notifications
Super Admin	System owner	All admin features plus: create users, manage roles, full finance access, system reports, all settings

How to log in: Go to the website → click your portal (Pilgrim Portal / Volunteer Portal / Admin Panel) → enter your email and password. First-time users click **"Register"** to create a Pilgrim account. Volunteer and Admin accounts are created by the system administrator.

Pilgrim Guide

Follow these steps in order to complete your registration and get approved for Arbaeen 2026. Each step is required before proceeding to the next.

Step 1 — Register & Log In

[Start Here](#)

- 1 Open the website and click "**Pilgrim Portal**" on the homepage
- 2 Click "**Register**" — enter your full name, email address, and choose a password
- 3 Click "**Create Account**" — you will be logged in automatically
- 4 You will land on your personal **Pilgrim Dashboard** — this is your home screen

If you already have an account, simply click "**Sign In**" and enter your email and password. Forgot password? Click "**Forgot Password**" and a reset link will be sent to your email.

After logging in, go to **Profile** and fill in all information. Incomplete or incorrect details may delay your approval.

FIELD	WHAT TO ENTER	EXAMPLE
Full Name	Complete name as printed on passport	Muhammad Ali Khan
Phone Number	Mobile number with country code	+923001234567
WhatsApp	WhatsApp number (if different from phone)	+923001234567
Country	Your home country	Pakistan
Passport Number	Exactly as shown on your passport	AB1234567
Visa Number	Your Iraq visa number	IQ-2026-XXXXX
Family Members	Total people traveling with you	4 (including yourself)

ADDING FAMILY MEMBERS

- 1 Go to the **"Family"** section in your portal
- 2 Click **"Add Family Member"**
- 3 Enter their: full name, relationship (Spouse/Child/Parent), and passport number
- 4 Repeat for each family member traveling with you

UPLOADING DOCUMENTS

- 1 Go to **"Documents"** in the left menu
- 2 Click **"Upload Passport"** — select a clear photo or scanned PDF (max 5MB)
- 3 Click **"Upload Visa"** — upload your Iraq visa copy
- 4 Wait for the green checkmark  confirming the upload was successful

Important: Documents must be clearly readable. Blurry or cropped images will be rejected. Accepted formats: JPG, PNG, PDF. Maximum file size: 5MB per file.

Step 3 — Set Your Travel Dates

Required

Under "**Travel Details**" in your dashboard, enter your flight information for both arrival and departure:

FIELD	WHAT TO ENTER	EXAMPLE
Arrival Date	Date you land in Iraq	15 September 2026
Arrival Time	Landing time (local Iraq time)	14:30
Arrival Flight	Flight number	PK-745
Arrival Airport	Which airport you land at	Baghdad International (BGW)
Departure Date	Date you fly back home	25 September 2026
Departure Time	Departure time	09:00
Departure Flight	Return flight number	PK-746

Critical: Enter accurate travel dates. The admin team uses this information to arrange your airport pickup and prepare the reception team. If your dates are wrong, there may be **no driver waiting for you** when you arrive.

Step 4 — Track Your Application Status

Once your profile is complete, your application enters the review process. You can see your current status on your dashboard at any time.

Profile
Submitted

Pending
Review

Under
Review

Approved
✓

STATUS	MEANING	WHAT TO DO
 Pending	Submitted, waiting for admin review	Wait — you will be notified when reviewed
 Under Review	Admin is actively checking your documents	Wait — do not resubmit documents
 Approved	You are confirmed for Arbaeen 2026	Check your hotel and room assignment
 Rejected	Application not accepted	Read the reason shown → contact admin for clarification

You will automatically receive an **email + app notification** every time your status changes. You do not need to keep checking — the system will notify you instantly.

Step 5 — Your Hotel & Room

Once approved, the admin will assign your hotel and room. You will receive a notification, and your dashboard will show:

Hotel Details

Hotel name, full address, floor number, and your room number

Distance to Haram

Walking distance from your hotel to Haram Imam Hussain (AS)

Navigate to Hotel

Tap to open Google Maps — show this to your taxi driver at the airport

Navigate to Haram

Walking route from your hotel to Haram Imam Hussain (AS)

Tip: Screenshot your hotel navigation before you travel. In Iraq, mobile data or WiFi may not always be available immediately upon arrival. Having the map screenshot saved offline ensures you can always show your taxi driver where to go.

Majalis, Namaz Timings & Food Schedule

Go to "**Majalis**" from the navigation menu. You will see three tabs:

Majalis Tab — Daily Program

- Today's Majalis with the scholar's photo
- Full program timeline: Opening → Hadith → Marsiya → Salam → Noha → Closing
- Each item shows: start time, performer name, and performer photo
- Venue name and address
- Language (Urdu / English)

Namaz Timings Tab

- Today's prayer times: Fajr, Zuhr, Asr, Maghrib, Isha
- Location for Jamaat prayers

Food Schedule Tab

- Meal times: Breakfast, Lunch, Dinner, Sehri, Iftaar (during Ramadan)
- Location and estimated number of servings

Automatic Reminder: You receive a push notification and email **30 minutes before every Majalis** — with the scholar's photo, time, and venue. You will never miss a Majalis.

Live Karwan Tracking

1

Go to "**Live Tracking**" from the navigation menu

2

You will see a list of all active Karwans — select your Karwan

3

A live GPS map opens showing the exact current location of your Karwan bus

4

The map updates automatically in real-time — no need to refresh

5

Tap any bus icon to see: driver name, bus number, next stop, and ETA

If Ziyarat tours are available, you can browse and apply:

- 1 Go to **"Tours"** → **"Available Tours"** from the menu
- 2 Each tour shows: destination, total days, day-by-day schedule, and package price
- 3 Click a tour → **"View Details"** to see the complete daily itinerary
- 4 Select a package (Economy / Standard / Premium) and click **"Apply"**
- 5 Your application is sent to admin — you will be notified of approval
- 6 As the tour date approaches, the system automatically sends you reminder notifications

Tour places are limited. Apply early to secure your spot. Once a tour is full, the status changes to **"Full"** and no more applications are accepted.

Volunteer Guide

Your credentials are provided by the system administrator. Use the Volunteer Portal to manage your tasks and attendance during the Arbaeen program.

Your Dashboard Overview

Log in via **Volunteer Portal** with your provided credentials. Your dashboard shows all the information you need for your shift:

Current Status

Available / Busy / Offline — visible to admin in real-time

Your Tasks

All assigned tasks with priority level and deadline

Your Zone

The area or location you are responsible for

Assigned Pilgrims

Pilgrims assigned to you for support — their contact and hotel details

Attendance History

Your complete check-in and check-out record

Performance Report

Tasks completed, hours worked, attendance rate

Check In & Check Out

- 1 When your shift starts, open the app → click **"Check In"**
- 2 Your attendance is recorded with timestamp automatically
- 3 When your shift ends, click **"Check Out"**
- 4 Your total hours worked are calculated automatically
- 5 View your full attendance history under **"Reports"**

Remember: Always check in at the start of your shift and check out at the end. Attendance is used for volunteer performance reports. Missing check-ins cannot be added retroactively.

Managing Your Tasks

All tasks assigned to you appear in your **Tasks** section. Each task shows:

PRIORITY	COLOR	WHAT IT MEANS	RESPONSE REQUIRED
 Emergency	Red banner	Urgent situation requiring immediate attention	Act within minutes — notify admin
 High	Orange	Important task that must be done today	Complete before shift ends
 Medium	Yellow	Regular task within this shift	Complete this shift
 Low	Green	Non-urgent, can be done when time permits	Complete today

Click **"Mark Complete"** as soon as a task is done. The admin dashboard shows real-time task completion — this helps coordination across all volunteers. Do not leave tasks marked incomplete after finishing them.

If pilgrims are assigned to you, their **name, phone number, hotel, floor, room, and flight details** are all visible in your dashboard — so you can assist them directly without needing to contact admin.

Admin Guide

The admin panel gives you full control over all operations. Log in via the Admin Panel at /admin. This section covers daily management tasks.

Admin Dashboard — Real-Time Overview

The dashboard gives a live snapshot of the entire operation:

WIDGET	WHAT IT SHOWS
 Pilgrim Stats	Total pilgrims broken down by status (Pending / Under Review / Approved / Rejected)
 Volunteer Status	How many volunteers are Available, Busy, or Offline right now
 Accommodation	Occupancy rate with progress bar — rooms used vs. total capacity
 Today's Arrivals	All pilgrims flying in today with flight number, time, airport, driver status
 Today's Departures	All pilgrims flying out today — driver assigned or not
 No Driver Alert	Pilgrims arriving soon with no driver assigned — highlighted red
 3-Day Schedule	Next 3 days of arrivals and departures at a glance

Go to **Admin** → **Pilgrims**. Use the search box to find pilgrims by name, or filter by status, country, or arrival date.

ACTION	HOW TO DO IT	WHAT HAPPENS AUTOMATICALLY
Approve pilgrim	Click pilgrim row → "Approve" button	Pilgrim receives instant email + notification
Reject pilgrim	Click pilgrim → "Reject" → type rejection reason	Pilgrim notified with the reason you entered
Under Review	Click pilgrim → "Under Review"	Status updated, pilgrim notified
Allocate Room	Click pilgrim → "Allocate Room" → select hotel & room from dropdown	Pilgrim receives room details notification
Allocate Bus	Click pilgrim → "Allocate Bus" → select Karwan & bus	Pilgrim notified of their bus and Karwan
View Documents	Click pilgrim → "Documents" tab	View passport and visa uploads

Bulk Actions: To approve multiple pilgrims at once, use the checkboxes on the left of each row to select multiple pilgrims, then click **"Bulk Approve"** at the top of the list. This saves time during peak registration periods.

Accommodation Management

Go to **Admin** → **Accommodation**. This section manages all hotels, buildings, floors, and rooms.

ADDING A NEW HOTEL

- 1 Click **" + Add Hotel "**
- 2 Enter: hotel name, city (Karbala / Najaf / Baghdad), full address, phone number
- 3 Enter GPS coordinates (latitude, longitude) — pilgrims use this to navigate from airport
- 4 Enter Haram distance text — e.g. *"800 meters walking from Haram Imam Hussain (AS)"* — this is shown to pilgrims
- 5 Click **"Save Hotel"**

ADDING ROOMS TO A HOTEL

- 1 Click on any hotel card → click **"Add Rooms"** or **"Manage Rooms"**
- 2 Set: floor number, room number, room type (Single / Double / Family / Suite), bed capacity
- 3 Set current status: Available / Occupied / Maintenance
- 4 Click **"Save"** — room is now available for pilgrim allocation

Rooms are automatically marked **"Occupied"** when a pilgrim is allocated to them, and return to **"Available"** when deallocated. The occupancy rate on the dashboard updates in real-time.

Go to **Admin** → **Itinerary**. This page shows all arrivals and departures, organized by date.

COLUMN	WHAT IT SHOWS
Pilgrim Name	Name, phone, and link to their full profile
Flight Details	Flight number, arrival time, airport name
Transfer Status	● Driver Assigned / ● No Driver (highlighted red)
Driver Details	Driver name, phone, vehicle if assigned

ASSIGNING A DRIVER

- 1 Click on a pilgrim row that shows **"No Driver"** (red)
- 2 Click **"Assign Driver"**
- 3 Enter: driver full name, driver phone number, vehicle type (e.g. Toyota Corolla), meeting point (e.g. Arrivals Hall Gate 3), scheduled pickup time
- 4 Click **"Confirm Assignment"**
- 5 The pilgrim automatically receives all driver details via notification + email immediately

Nightly Auto-Alert at 20:00: Every evening, the system automatically emails ALL admins with a list of every pilgrim arriving the next day who has no driver assigned. This ensures no pilgrim is left unattended at the airport.

Majalis Management

Go to **Admin** → **Majalis**. This section manages the full Majalis schedule that pilgrims see in their portal.

CREATING A MAJALIS

- 1 Click **" + Add Majalis "**
- 2 Enter: title, language (Urdu / English), venue name and address
- 3 Set: start time and end time
- 4 Enter: Molana / Scholar name
- 5 Upload scholar photo (JPG/PNG, clear face photo) — appears in notifications sent to pilgrims
- 6 Click **"Create Majalis"**

SETTING THE FULL PROGRAM

- 1 Click **" Program"** button on any Majalis card
- 2 Click **" + Add Item "** — select type: Opening / Hadith / Marsiya / Salam / Noha / Closing / Break
- 3 For each item enter: time (e.g. 08:15), performer name, and upload their photo
- 4 Continue adding all items in chronological order
- 5 Use the **▲▼ arrows** to reorder items if needed
- 6 Click **"Save Program"** — pilgrims can now see the full detailed program

NAMAZ TIMINGS & FOOD SCHEDULE

Within the Majalis section, you can also manage:

- Click **"Set Namaz Timings"** → select date → enter time and venue for each of the 5 prayers
- Click **" + Add Food Schedule "** → select meal type → enter date, time, location, and estimated servings

Automatic: 30 minutes before any Majalis starts, the system automatically sends a push notification + email to all approved pilgrims — including the scholar's photo, exact time, and venue. **No manual action needed.**

TARGET AUDIENCE	USE CASE	HOW TO SEND
Specific user	Personal message, update	Search by name → send
All Pilgrims	General announcement, schedule change	Select "All Pilgrims" → type message → send
All Volunteers	Shift change, zone update, meeting	Select "Volunteers" → type message → send
Everyone	Emergency alert, major announcement	Select "Everyone" → mark as Emergency → send

NOTICE BOARD

- 1 Go to **Admin** → **Notice Board** → click **" + Add Notice "**
- 2 Enter notice title, body text, and set an expiry date
- 3 Click **"Publish"** — notice appears on all pilgrims' dashboards immediately
- 4 Notices auto-expire on the date you set and are removed from pilgrim view automatically

Finance Tracking

Local Finance (Admin → Finance)

- Add expenses by category (Transport, Food, Accommodation, etc.)
- Set budget limits per category — system shows budget vs. actual
- Record staff salary payments — mark as paid
- Add ticket / flight costs
- Export full finance report as PDF or Excel

International Finance (Admin → International)

- Record incoming payments from pilgrims
- Manage vendor contracts (hotels, bus companies)
- Track money transfers sent to Iraq
- Multi-currency support
- Balance sheets and payment reconciliation

Go to **Admin → Reports** to export the full pilgrim list and volunteer list as CSV/Excel. Useful for submitting to Iraqi authorities or for documentation purposes.

These notifications are sent **automatically by the system** — no manual action is required from admin or pilgrim:

Application Approved → Pilgrim

Sent instantly via email + in-app push when admin clicks Approve. Contains confirmation message and next steps.

Application Rejected → Pilgrim

Sent via email + push with the rejection reason text entered by admin.

Room Allocated → Pilgrim

Sent when admin assigns a hotel room. Contains hotel name, floor, room number, and navigation links.

Majalis Reminder — 30 minutes before → All Approved Pilgrims

Email + push with scholar's photo, Majalis title, exact time, and venue address. Sent to every approved pilgrim.

2-Day Travel Reminder → Pilgrim

Sent 2 days before departure date. Includes flight number, departure time, airport, and packing reminder.

5-Hour Flight Reminder → Pilgrim

Final reminder 5 hours before flight. Includes driver details if assigned, check-in reminder, and departure time.

Driver Assigned → Pilgrim

Sent immediately when admin assigns a driver. Contains driver's full name, phone number, vehicle type, meeting point, and scheduled pickup time.

Unassigned Driver Alert — sent at 20:00 every evening → All Admins

Email listing every pilgrim arriving the next day who has no driver assigned yet. Allows admin to act before it's too late.

FOR PILGRIMS

Everything in one place

Hotel name, room number, Majalis time, driver details — all in one app. No more asking on WhatsApp.

Hotel navigation

One tap opens Google Maps. Show your taxi driver exactly where to go — even offline with a screenshot.

Haram navigation

Walking directions from your hotel directly to Haram Imam Hussain (AS).

Travel reminders

Automatic reminders 2 days and 5 hours before your flight — never miss it.

Driver details

Pickup driver name, phone, and vehicle sent directly to your email and phone.

Majalis alerts

30-minute advance notification before every Majalis with scholar photo — never miss a program.

Live Karwan tracking

See exactly where your Karwan bus is at any moment on a live map.

Room details before arrival

Hotel name, floor, room number visible in your portal before you even land in Iraq.

Zero manual follow-ups

System notifies you automatically for every important event — no need to keep calling admin.

FOR ADMIN

Real-time dashboard

Arrivals, occupancy, volunteers, pending approvals — all at a glance on one screen.

Automatic safety net

System emails you every evening if any tomorrow's pilgrim has no driver. No pilgrim left at airport.

Zero manual emails

Approval confirmations, travel reminders, Majalis alerts — all sent automatically by the system.

Full room management

Track every room — available, occupied, under maintenance — across all hotels in real-time.

Professional Majalis program

Detailed program with performer photos looks professional and impresses pilgrims.

Export reports instantly

Download full pilgrim lists for Iraqi authorities or documentation in seconds.

اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَآلِ مُحَمَّدٍ

May Allah (SWT) accept the ziyarat of all pilgrims 🌿

Misbah ul Hoda — Arbaeen 2026 Pilgrimage Management System · misbahulhoda.mubashirhasan.dev
